news:5834357@discussion.autodesk.com... I only know of a lisp routine that does this (attached). Paul wrote in message news:5833861@discussion.autodesk.com... I remember being able to export and import various UCS's from one drawing to another. I cant remember how I did it and I'm sure it wasn't a lisp routine.

Solved: UCS Export and Import - Autodesk Community

This final version is expected to ship on or around April 14, 2014. Autodesk will continue to offer product support until April 30, 2016. We will also provide Softimage support services (including Hot Fixes and Service Packs) to all Softimage customers with Autodesk Subscription, at no cost, until April 30, 2016.
