Body By Science Review and Big 5 Workout PDFs. The new workout book Body By Science, by Doug McGuff, M.D. and John Little, has introduced a lot of people to high intensity weight training. It presents a ludicrously simple workout routine, along with the well-documented and highly persuasive science to back it up!

Body By Science Review and Big 5 Workout PDFs

Last week I put together an article on High Intensity Super Slow Training. This is a type of strength training popularised by Doug McGuff in his book Body By Science, it involves 15-20 minutes of training a week, total. And - if done properly (more on this later) - the results are profound.
