George Orwell's 1984 is such an influential novel that you needn't have read it to notice its effect. With its chilling examination of totalitarian regimes, 1984 changed the language we use to discuss those very regimes. Popular terms like "Big Brother," "Orwellian," or "Newspeak" were all originated by Orwell in 1984.

1984 Study Guide - ThoughtCo

The relationship between exercise and sleep has been extensively investigated over the years. Previous studies have noted that proper exercise can alleviate sleep-related problems and help you get an adequate amount of rest. Recent research also suggests insufficient or poor-quality sleep can lead to lower levels of physical activity the following day.
