Again, both orthopaedic spine surgeons and neurosurgeons train side-by-side learning the same techniques and procedures, and the line between them is becoming less and less definite. Selecting a board-certified and fellowship-trained surgeon ensures the doctor has been properly trained and prepared for the risks and magnitude of back and neck ...

Orthopaedic Spine Surgeon Versus Neurosurgeon Referral for ...

For these physicians and practices, we have a viable solution: an electronic superbill that will mirror the orthopedic provider's existing paper superbill. The beauty of the electronic superbill is that the physician will be able to select the traditional ICD-9 code that she or he is familiar with, and the superbill will then "drill down" to reveal the appropriate ICD-10 options from which the physician can select.
