Shirley Jackson's best known works - The Lottery, The Haunting of Hill House and We Have Always Lived at the Castle - have placed her oeuvre firmly within the Gothic Horror genre. However her writing is more subtle than that label suggests and The Bird's Nest highlights the difficulty in pigeon-holing her work and emphasises a vein of ice-cold humour that often runs through her writing.

Given the lack of emphasis on crucial American women writers of the twentieth century, a category to which Shirley Jackson certainly belongs, an entire course could be also designed around examining critical yet often under-valued works like The Bird's Nest, which highlight female subjectivities and struggles.
